

TRUE TALENTS OF AFRICA INTERNATIONAL FOOTBALL ACADEMY

East Africa's First Full-Time Residential International Football Academy

True Talents of Africa International Football Academy

"Where African Talent Meets Global Opportunity"

Since 2019, True Talents of Africa (TTA) has been creating genuine global pathways for young African athletes, transforming dreams into reality through dedication, excellence, and opportunity.

Our groundbreaking full-time residential academy represents a new era in African football development, bringing together world-class training, internationally recognised education, and a supportive lifestyle environment under one roof.

This is more than football - it's a comprehensive preparation for success on the global stage, combining athletic excellence with academic achievement and personal development.

Gemm Ngugi (University of Macclesfield, England)

Aiden Kanyingi (Fleetwood Town FC)

Leo Wichenje (Fleetwood Town FC)

Alex Mulama (Fleetwood Town FC)

Dennis Mugo (Fleetwood Town FC)

Tevin Tikan (Fleetwood Town FC)

Praise Barka (Fleetwood Town FC)

Fishcher Lumumba (Fleetwood Town FC)

A man in a blue bucket hat and a dark jacket with 'KK' on it, talking to two young men in soccer jerseys. The man in the center is looking towards the two young men. The young man on the left is wearing a red jersey with the number 11. The young man on the right is wearing a dark jersey with a crest. The background is a blurred outdoor setting with a yellow and green structure.

**"Our mission is simple - to bridge African talent with world-class opportunity.
Every player who joins us carries the dream of a continent."**

~ Kimathi Kaumbutho, Founder.

A photograph of a soccer goal on a grassy field at dusk. The goal is in the center, with a large black fence in the background. The text "Football Programme" is overlaid in white at the bottom left.

Football Programme

True Talents of Africa

Vision & Mission

Vision

To raise a generation of empowered African youth whose talent, character, and education enable them to thrive globally - in football, education, and life.

Mission

To blend football excellence with academic achievement and character development, creating pathways to professional sports, global scholarships, and community leadership.

D **Dreamer**
Believing in possibilities beyond current circumstances, fueling ambition with vision

R **Role Model**
Leading by example, inspiring others through actions and integrity

E **Extra 110%**
Exceeding expectations, giving maximum effort in every endeavour

A **Accountability**
Taking ownership of actions, commitments, and personal growth

M **Manifest Family**
Building supportive community bonds that extend beyond the pitch

E **Education**
Prioritising learning both on and off the field for holistic development

R **Resourceful Creativity**
Finding innovative solutions, adapting to challenges with ingenuity

Our Core Values

ACRONYM: DREAMER

True Talents of Africa

Coaching Excellence

UEFA & CAF Licensed Coaches

Internationally certified professionals with proven expertise

Optimal Player-Coach Ratio

16:1 ratio, ensuring personalised attention and development

Advanced Analytics

Veo camera technology and GPS tracking for performance optimisation

Virtual Analysis Sessions

Customised programmes tailored to each player's needs and goals

Training and Match Play

Full - Time Daily Training

Comprehensive programme developing technical, tactical, physical, and mental aspects.

Elite Competition

Compete in Kenya's top youth leagues against the nation's best talent.

International Exposure

Annual Pro Showcase Week with scouts from around the world.

Mental Conditioning

Character-building sessions designed to build player character for excellence on and off the pitch.

Strength & Conditioning

Dedicated gym sessions for building athletic foundation.

Virtual Analysis Sessions

Theory Sessions are designed to teach the tactical side of the game.

Academy Structure

Our Home: Nairobi Campus

Strategic Location

Situated just 30 minutes from Nairobi's central business district, our campus offers the perfect balance of accessibility and tranquility, providing an ideal environment for focused athletic and academic development.

World-Class Infrastructure

Our purpose-built sports campus features state-of-the-art training pitches, modern residential accommodation, dedicated classrooms, and a fully equipped gymnasium - everything needed for holistic player development.

True Talents of Africa

Mentorship & Mental Conditioning

24/7 Support System

Dedicated staff presence ensuring continuous guidance, safety, and player wellbeing throughout their journey.

Mental Conditioning

Specialist sessions developing resilience, focus, and psychological strength essential for elite performance in any field, not just football.

Career Preparation

Guided mentorship preparing players for professional trials, scholarship interviews, and life transitions.

Lifestyle & Facilities

Residential Life

Safe and Supervised Housing

Secure accommodation with comprehensive oversight, ensuring player safety and well-being at all times.

Balanced Daily Routine

Structured schedule integrating training, study, and recovery for optimal physical and mental development.

Family Atmosphere

Supportive community built on mutual respect, discipline, and shared aspirations for excellence.

Nutrition and Wellness

A close-up shot of a large, shallow metal bowl filled with a hearty soup. The soup contains chunks of meat, potatoes, carrots, and fresh green herbs. The background is slightly blurred, showing other bowls of food and fresh produce.

Professional Meal Plans

Carefully designed nutrition programmes by certified dietitians, optimising performance and recovery.

A close-up of a person's hands wearing blue nitrile gloves. One hand is holding a small, round green container, possibly a pill or a small container of medicine. The background is dark and out of focus.

In-house Medical Support

Dedicated physiotherapy and recovery team managing injury prevention and rehabilitation.

A row of dumbbells of various weights lined up on a rack in a gym. The lighting is dim, highlighting the metallic texture of the dumbbells.

Holistic Wellbeing

Comprehensive focus on physical health and mental wellness for complete athlete development.

World-Class Facilities

FIFA Standard Pitches

Professional-grade playing surfaces meeting international specifications

Student Accommodation

International standard student accommodation - a place that students can call home.

Video Analysis Room

Advanced technology for tactical review and performance evaluation.

Academic Classrooms

Modern learning environments supporting educational excellence.

Recreation Spaces

Dedicated areas for relaxation, social connection, and personal time.

Education & Development

Launching August 2026

A groundbreaking integration of elite football training and Internationally recognised academic excellence, TTA has partnered with **Sunrise Virtual School** to create a blended program featuring in-person teachers and virtual lessons.

Cambridge Curriculum

IGCSE and A-Level qualifications recognised by universities worldwide.

Student - Athlete Focus

Specifically designed schedule balancing academic rigour with elite training.

NCAA Eligibility

Fully aligned with international university admission standards.

Integrated Campus Life

Study, train, and live in one location for seamless development.

TTA High School Programme

IGCSCE & A-Levels

This innovative programme represents the future of African football education, ensuring our graduates are prepared for success both on the pitch and in the classroom, with qualifications that open doors to universities across the globe.
